19099	To consider planning applications																																																																													
	<p>7:45 BN arrived 19/02019 Wyman Chase. No objections were put forward for this proposal 19/02202 Rains Road. It was felt that this was an over development of the site and provided a building which had potential to act as an independent living accommodation. It was felt that should planning permission be considered there should be a covenant stopping the building being used as separate accommodation.</p>		JM
